CHAIRMAN MESSAGE

It is a great moment of pleasure and gratification that the conduct of the SSC 9th & 10th Annual-I Examination 2025, as well as the timely preparation of the result, has been successfully completed without confronting any unpleasant situation. The herculean task of conducting the examination of almost 193,477 candidates from the districts of Peshawar, Charsadda, Upper Chitral, Lower Chitral, Khyber, and Mohmand was carried out smoothly. Despite logistical challenges, tireless efforts were made for the facilitation of students. Steps were taken to further improve the already undertaken policy to rationalize students in the examination centers. The district administration alongside Police Department extended every possible support to ensure fair and peaceful environment for students during the examination.

To maintain its tradition, BISE Peshawar has taken several effective steps to prevent cheating and ensure a transparent, peaceful examination environment, which has been its prime motive. These measures include the installation of CCTV cameras in examination centers, deployment of impartial supervisory staff through the conduction of a transparent draw, implementation of electronic attendance systems (DAMS) to prevent impersonation cases, surprise visits by monitoring teams, implementation of an online on-screen marking system (in four subjects), introduction of SLO (Student Learning Outcomes)-based question papers, and shifting of examination halls from private institutions to government institutions for the prevention of institution-based cheating.

Therefore, I extend my heartfelt congratulations to those who have earned the highest scores in the examination**,** reflecting their dedication and hard work throughout the academic year. I hope this achievement will play a substantial role in their careers ahead. For those who could not achieve a good score, they should not give up; rather, they should keep pursuing their dreams with more dedication and commitment. In Shakespeare's words, "Nothing is difficult but our thinking makes it so."

Last but not least, I offer my genuine gratitude to both the Honorable Minister and Secretary of the Elementary & Secondary Education Department, Khyber Pakhtunkhwa, for their consistent support in the conduct of the examination.

Wish you all the best.
